WHY GENPLUS™?

Don't leave money on the table. GenPlus embryos have the potential to generate substantially more profit per calf when compared to bull-bred or A.I. calves. Purchasing embryos created with industry-leading Hereford and Brahman genetics is the most economical and efficient way to create F1 females.

AN INVESTMENT WORTH MAKING

cows that are...

- ✓ Profitable
- ✓ High-Producing
- ✓ Long-Lived
- ✓ Healthy
- ✓ Fertile
- ✓ Trouble-Free
